

Because she's on it,
we care about what's in it.

Earth-friendly infill that's safe around children and pets.

Non-toxic and completely reusable, Envirofill® makes artificial turf look and feel great. And, Microban® antimicrobial product protection works continuously to help prevent the growth of bacteria, mold, and mildew that can cause odors and stains. No wonder it's the new favorite of landscape experts. Call 800-548-0402 or visit usgreentech.com and have your families love their lawn.

envirofill
HIGH PERFORMANCE INFILL

 **Microban**
antimicrobial product protection

A different kind of infill. Envirofill® is composed of naturally occurring silica sand found only in the Hickory Formation in central Texas. Its highly rounded quartz core resists compression so it doesn't continue to compact over the life of your lawn.

Easy Installation. With its texturized thatch layers, landscape turf can be very dense and difficult to infill. With its rounded shape, uniform size and smooth surface, Envirofill quickly settles down into the turf saving you time, effort and aggravation.

It's cleaner. Microban® antimicrobial protection is infused into Envirofill during the manufacturing process to help prevent the growth of bacteria, mold, and mildew that can cause stains, odors, and product deterioration.

It's reusable. With its inherent durability and reusability, Envirofill has the potential to be reused as infill long after the turf wears out. In addition, the coating and color are warranted for 16 years.

PRODUCT DATA ENVIROFILL® 12-20			
Physical properties	Measure	Test Method	Value
Dimensions	98.6% Retained 12-20 mesh sieves		
Materials	99.6% Silicon Dioxide, Pigment and Acrylic		
Hardness	Mohs Scale		6-8
Roundness	Krumbein Shape	ISO13503-2/API RP19C	0.7+
Density	lbs/cf	ASTM F-1815-06	110
Flammability	-	ASTM E648	Non-flammable
Dust	-	Sieve Analysis	Negligible
Angle of Repose	-	ASTM C1444	±30 degrees
TCLP Metals Content	mg/kg	ASTM 6010	<Min Detectable Levels
Abrasiveness	Index	ASTM F 1015	26+/-2
Coefficient of Friction	Direct	ASTM F 1551	0.80 dynamic
Packaging	50lb bags or 3000lb Super Sacks		

Envirofill's exclusive partnership with Microban® provides an added level of antimicrobial protection for the lifetime of your infill.
